

Dual Credit Headcount and Credit Hours

End of Term Dual Credit Enrollments and Credit Hours

Institution: Boise State University

Date Submitted: 7/15/2015

Submitted by: Leslie R. Odom

Dual Credit classes taught at the high school				
	Number of Class Sections	Number of Classes	Headcount (unduplicated)	Credit Hours
<i>Summer Semester</i>	3	2	50	50
<i>Fall Semester</i>	250	60	2932	12413
<i>Spring Semester</i>	74	34	704	2357

High school students enrolled in classes taught directly through the institution				
	Number of Class Sections	Number of Classes	Headcount (unduplicated)	Credit Hours
<i>Summer Semester</i>	6	5	6	20
<i>Fall Semester</i>	16	14	12	43
<i>Spring Semester</i>	19	15	11	47

Dual Credit classes taught via distance delivery				
	Number of Class Sections	Number of Classes	Headcount (unduplicated)	Credit Hours
<i>Summer Semester</i>	0	0	0	0
<i>Fall Semester</i>	8	7	123	330
<i>Spring Semester</i>	11	6	182	415

Note: Some students who enroll in Dual Credit Classes taught at the high school may also be enrolled in other Dual Credit classes taught directly through the college and/or classes taught via distance delivery. Thus, the total number of students taking Dual Credit classes may be less than the sum of the headcount shown in the three delivery methods.
