

Dual Credit Headcount and Credit Hours

End of Term Dual Credit Enrollments and Credit Hours

Institution: Boise State University
Date Submitted: 7/19/2016
Submitted by: Leslie R. Odom

Dual Credit classes taught at the high school				
	Number of Class Sections	Number of Classes	Headcount (unduplicated)	Credit Hours
<i>Fall Semester</i>	236	56	2,838	11,678
<i>Spring Semester</i>	80	34	766	2,601

High school students enrolled in classes taught directly through the institution				
	Number of Class Sections	Number of Classes	Headcount (unduplicated)	Credit Hours
<i>Summer Semester</i>	17	13	72	117
<i>Fall Semester</i>	12	11	9	29
<i>Spring Semester</i>	12	11	8	26

Dual Credit classes taught via distance delivery				
	Number of Class Sections	Number of Classes	Headcount (unduplicated)	Credit Hours
<i>Summer Semester</i>	9	7	41	130
<i>Fall Semester</i>	10	6	151	414
<i>Spring Semester</i>	13	7	223	539

Note: Some students who enroll in Dual Credit Classes taught at the high school may also be enrolled in other Dual Credit classes taught directly through the college and/or classes taught via distance delivery. Thus, the total number of students taking Dual Credit classes may be less than the sum of the headcount shown in the three delivery methods.

Dual Credit Headcount and Credit Hours

End of Year Dual Credit Enrollments and Credit Hours

Institution: Boise State University
Date Submitted: 7/19/2016
